The screenshot shows the Avast! Free Antivirus application window. The title bar reads "avast! Free Antivirus". The interface is divided into a left sidebar and a main content area. The sidebar contains sections: OVERVIEW (Status), SCAN COMPUTER (Softpedia's scan, Start new scan), SCAN REPORTS (Drag'n'Drop, All reports), SHIELDS (File System Shield, Mail Shield, Web Shield), ADDITIONAL PROTECTION (Online Security), and MAINTENANCE (Registration, Virus Chest). The main content area displays a large green checkmark and the word "SECURED" in green, with the text "Your computer is protected." below it. To the right, there are status indicators for Engine, File System Shield, Mail Shield, and Web Shield, all marked as "ON". Further right, it shows "Application version 8.0 (39915)", "Virus definitions version 13093001", and an "avast! account" section with a "Connect" button. Below this is a bar chart titled "Aggregate shields activity" showing activity levels over time from 85 seconds to 5 seconds. At the bottom of the main area, there is a section for "avast! Free Antivirus for Mac" with a five-star rating and a large, faint watermark logo.
